## CLACKAMAS COUNTY, OREGON

Amateur Radio Emergency Service

### CARES Net Script

Good (Morning/Afternoon/Evening). This is (**your call sign**). My name is (**your first name**), and I am net control for KD7ZDO, the Clackamas Amateur Radio Emergency Service net, better known as the CARES Net.

**NET CONTROL INSTRUCTION:** *Read the line enclosed below only when conducting the Sunday evening net.*

This net meets each Sunday evening at 1900 hours, local time, on this frequency.

The purpose of this net is to distribute messages and information to members of CARES and other net participants. Emergency traffic will be handled at any time, by saying “break” to interrupt the net.

This is a directed net. All stations are asked to please remain on this frequency unless excused. We will call stations the following order: EchoLink, Clackamas County, Multnomah County, Washington County, and then visitors. Stations will be called by the first letter of their call-sign suffix. All check-ins are welcome. Please use proper ITU phonetics when checking in.

Do we have any emergency traffic at this time? Please reply with your call.

**NET CONTROL INSTRUCTION:** *Once all Emergency traffic has been listed, call for any stations on frequency that can handle the listed traffic*

Nothing heard . . . (or) . . . Thank you. We will now call for:

**NET CONTROL INSTRUCTION:** *Acknowledge and record each station checking in to the Net.*

EchoLink stations?

Clackamas County stations with suffix beginning: (A)lpha through (D)elta?

Clackamas County stations with suffix beginning: (E)cho through (I)ndia?

Clackamas County stations with suffix beginning: (J)ulliet through (M)ike?

Clackamas County stations with suffix beginning: (N)ovember through (R)omeo?

Clackamas County stations with suffix beginning: (S)ierra through (U)niform?

Clackamas County stations with suffix beginning: (V)ictor through (Z)ulu?

Are there any Clackamas County stations late or missed (A)lpha through (Z)ulu?

Are there any check-ins from Multnomah County?

Are there any check-ins from Washington County?

Are there any visitor check-ins? If so, please give your call, your name, your location, and any ARES or ARRL position.

**NET CONTROL INSTRUCTION:** *Record call signs, names and locations.*

Are there any bulletins, comments, or questions for the net? If so, please give your call.

Are there any missed stations on frequency that desire to check into the net? **NET CONTROL INSTRUCTION:** *Repeat request every five minutes during a lull in the exercise or emergency operation.*

Do we have any emergency traffic at this time? Please reply with your call.

Are there any questions from the net participants? If so, please give your call.

Thank you everyone for checking into the net this (Morning/Afternoon/Evening). We would also like to thank the amateur community for allowing us a clear operating frequency. We also want to thank the Amateur Radio Relay Group for their use of the repeater. If you want to learn more about supporting this community service repeater, please visit ARRG at [www.arrg.org](http://www.arrg.org). For more information about CARES, please visit: [clackamasares.org](http://clackamasares.org). We will now close the net and the repeater will be returned to normal use. KD7ZDO is now clear.
