

Oregon City/South County Amateur Radio Emergency Service (WA7OC) Net Script – Revised 20260920

Good Evening, this is (**Your Call Sign**), my name is (**Answer Correctly Here**), and I will be Net Control for WA7OC, better known as the CARES Oregon City / South County Net.

This net meets every Sunday evening, 5 minutes after the CARES Net.

The purpose of this net is to distribute messages, bulletins, and information to members of CARES and other net participants.

This is a directed net. All stations are asked to remain on frequency unless excused.

Stations will be called by the first letter of their call sign suffix, in the following order:

Oregon City/South County, and then visitors.

All Check ins are welcome. Please use proper ITU phonetics when checking in.

The net will now call for CARES stations with suffix beginning (A)lpha through (N)ovember (Call Twice)

The net will now call for CARES stations with suffix beginning (O)scar through (Z)ulu (Call Twice)

Are there any CARES stations late or missed, (A)lpha through (Z)ulu, please call now.

Do we have any visitor check ins this evening? If so, please give your name, your call, and any applicable affiliations.

Are there any Bulletins, Comments, or Questions for the net this evening? If so, please give your call.

Are there any missed stations on frequency that wish to check in to the net this evening? If so, please give your call.

Thank you all for checking into tonight's net. We also wish to thank the amateur community for allowing us a clear operating frequency. Special mention goes to the Clackamas 800 Radio Group for tower hosting.

We will now close the net and the frequency will be returned to regular amateur radio use - WA7OC is now clear, **19xx** hours.
